

Be opt-OM-istic in the fight against cancer

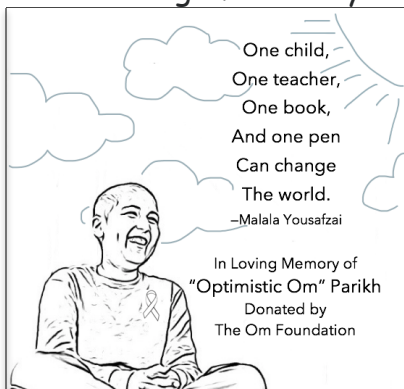

## ANNOUNCEMENT

Please join the Om Foundation and Mayor Tamburro as they unveil The Optimistic Om wall mural and the LEGO table donated by the Om Foundation.

**When:** Saturday, February 9th at 3:00 p.m.

**Where:** Monroe Township Library

The date signifies one year of passing of Om Parikh.

Please support this event by attending, as well as sharing this announcement on your Facebook, WhatsApp and other channels.

The OM Foundation was started in memory of Om Parikh, a teenager from Monroe who passed away from a brain tumor last year on February 7<sup>th</sup>. The Om Foundation is supporting The Monroe Township Library by donating and enhancing the Library's Children and Tween area. The OM Foundation has purchased a huge LEGO table for all kids to enjoy (as OM loved playing with LEGOS). We have also painted a window mural in the tween area showing Om's love of books and the optimistic view that he exemplified. The mural idea was envisioned and painted by Om's sister.

We want to thank you very much because without your support none of this would have been possible. We still have a lot to do and look forward to your continued support.
