GENERAL MEETINGS & CLUB EVENTS

- Eco-Night will be held on Tuesday, April 14th
- The club is preparing for the event.

- Additionally, the club has extended the opportunity to members to participate in the National Geographic Slingshot Challenge

For students aged 13-18 years old. In this challenge, you are to make a 1-minute video explaining how you could bring your idea (i.e Wildfire education program) to life to resolve an environmental issue in your community (registration and information in the link provided). If selected, you can be awarded up to \$10,000 in order to bring your idea to life! You will also get the opportunity to attend a week-long conference in Washington DC discussing National Geographic's education and conservation efforts. (Non EAC affiliated)

February Club Meeting:

- Tuesday, February 24th

GREEN TEAM

- Sustainable Jersey Certification Progress has been paused from the administration side. Ms. Rickert (advisor for EAC) is meeting the superintendent and union leadership from the entire district this week. Next steps for the Green Team will be decided by her.

- In the meantime, the students involved with the Green Team are in the process of data collection and planning for their actions. All steps need to be approved by the school administration.
